- All registrants MUST present a paid gate ticket to register. No Exceptions!
- All entrants must bring completed tech sheets and endurance team info sheet to registration

### Accommodations

- There are camping facilities at the track with washrooms and showers. Please refer to the map in the CTMP event document indicating approved camping areas. Anyone camping outside of approved areas will be asked to move.
- Participants may stay over Sunday night, but must leave before 7:30am
- You may be asked to move to a different location Sunday evening

### Generators

- No generators before 7:00am. All generators must be shut down by 10:00pm

### Hot Pits

- Anyone entering the hot pits, except entered racers, must have signed the waiver at registration as crew.
- No-one under 16 is allowed in hot pits.
- Everyone in the hot pits must wear long pants, shirt with short or long sleeves, and closed toe shoes.

### Pit/Dirt Bikes

- Small pit bikes, bearing the racer's plate number, are permitted and must be used with appropriate caution.
- Paddock speed is restricted to 15kph, including bicycles ridden by your children.
- No unlicensed motorized vehicles are allowed outside of the paddock area.

### Safety, Security & Conduct

- Please keep an eye on your belongings and your neighbor's.
- Pets must be kept on a leash at all times.
- Keep your speed down to below 15kph in the paddock as children and adults are wandering around.
- This is a family event as well as a race weekend - all quiet after 10:00pm.
- Parents are responsible for the behaviour of their children at all times.

### Racing

- The VRRRA reserves the right to change the length of races.
- The VRRRA reserves the right to combine or cancel classes based on the number of entrants.
- Any restarted race ending before its scheduled distance needs to have completed a minimum of three laps in order to be scored on its finishing order from its last completed lap.
- Race Announcing should be on 90.7FM – we will confirm Friday.

**Absolutely no alcohol or intoxicating substances to be consumed until after racing is over for the day and the track is closed. Any incidents of excessive use during the evening/night prior to a racing day will result in the rider being banned from racing at the event.**

### **Rider's Meetings**

- Are held each morning at 8:00am at the podium between the gas pumps and the restaurant.
- Rider's meetings are mandatory for all racers. Attendance will be taken

### **Medical Cards**

- Medical data cards must be worn on helmets. Medical Data Carriers can be purchased at Registration.

### **Trophies**

- Trophy presentation is Sunday at the end of race weekend at the Podium between the gas pump and the restaurant.

### **Souvenirs and Memberships**

- T shirts, hats, posters, and other VRRR souvenirs will be on sale by the large washroom in the upper paddock area.
- No cash – no problem, electronic payment is available.

### **Technical Inspection**

- Tech will be located near the large washroom in the upper paddock area.
- Tech Inspection will be closed during riders' meetings.
- Tech will open Thursday evening 6:30pm – dusk. Friday 7:00am – 9:00am and 6:00pm – 8:00pm. Saturday 7:00am – 9:00am. Sunday 7:00am – 8:00am.
- Thursday night and Friday morning are for bikes running Friday practice and Endurance only.
- During the event tech will be available. You will be informed of the location at the riders' meeting.
- Bring your completed tech sheets to Tech Inspection with your bike
- Helmets must be brought to tech if they have not been inspected at a VRRR event this year.
- You must complete the helmet section of the tech form. You will be asked to show us the date of manufacture.
- All old fork bands, endurance and practice stickers must be removed from bikes and old stickers must be removed from helmets.
- Tech inspectors will be examining machines for correct machine preparation and lock wiring.
- Fairings must be removed if inspection cannot be carried out. If the lower fairing is the oil catch pan for the machine the lower must be brought separately for inspection.
- If the oil drain plugs, filter and lock-wire are easily visible with the oil pan in place, the pan may be fitted for inspection.
- Liquid cooled machines may be checked for the presence of glycol. This type of coolant is banned, and if found the machine will be removed from the event, and the rider will be penalized.
- Any motorcycle that is presented for inspection in a condition which may prevent carrying out a thorough inspection will be turned away until the condition is corrected.
- Motorcycles must be clean and the engines cool to the touch in order for inspection to be done.

### **VIP tech inspection**

- VRRR VIP bike tech is available at the Vintage Festival. We will tech your bike(s) in your pit, on your stands.
- Cost is \$20 for 1 bike, or \$35 for 2 or more bikes with same racing number. Cash only and the proceeds are a donation to VRRR.
- When you are ready, notify Dave Laporte. Call or text 705-562-8807 with location of pit and bike number,
- Available Thu evening 6:30 – dusk, Fri morning 7:00 – 8:00 and Fri evening 6:30 - dusk.

### **Numbers**

- Machine numbers must conform to VRRR colors and size, visiting riders excepted.
- Visiting riders with conflicting numbers are permitted to add a letter to the number for the duration of the event
- All helmets must display your bike number on both sides

### **Transponders**

- Make sure your transponder is properly mounted, fully charged and on the bike before going out onto the track, any session. During practice, the transmission from transponders is checked.
- The VRRR scores solely on transponder output, and the functionality of the transponder is the sole responsibility of the rider
- Rental transponders are available at registration. You are responsible to verify the charge each day and return for charging if required
